Week Commencing 29th July 2024:

- Footway and vehicle access repaving works on south side of Market Place and west side of Market Square
- Relaying Market Place blockwork (road around Market Square) with narrow lane in place to allow road to remain open
- Continued excavation for new Market Square southern kerb line
- Construction of foundations for Market Square north side rain garden granite blocks
- Works outside Nationwide to lift existing paving prior to repaving in new York Stone
- Thursday Market open on south side of square
- **Traffic management this week:**
 - **Temporary road created around Market Square to allow access during resurfacing of Market Place**
 - **Footway closures and diversions around Market Square during footway and carriageway works**
 - Loading area fenced off for use of businesses on Market Place

Both the Thursday Charter Market and Saturday Farmer's Markets will take place as normal on the Market Square throughout these works. Businesses around the Market Square are open and trading as usual during the works.

Please note that at times there may be other road works taking place in St Neots town centre that are not part of this project, such as scheduled or emergency works to statutory utilities. More information on such works can be found at [One.Network](#).
