

Job Description

Service:	Development Management (Planning)
Job title:	Arboricultural officer
Grade:	G
Hours of work:	37
Responsible to:	Conservation and Environment Team Leader
Responsible for None	
Direct reports:	Conservation and Environment Team Leader / Planning Services Manager
Budget:	None

Purpose of Post:

To provide specialist arboricultural advice to the Council in order that the Council fulfils its statutory obligations under the Town and Country Planning Act with regard to trees and hedges. To take the lead in the implementation of the Council's Tree Strategy.

Main Duties and Responsibilities:

1. To have responsibility for the Council's range of statutory duties: the application and administration of legislation pertaining to trees that are subject to Conservation Area designations and Tree Preservation Orders.
2. To provide expert advice to assist Development Management officers to determine planning applications by assessing the impact of development on trees and hedgerows and the formulation of conditions to protect existing tree stock and enhance future tree stock within the District.
3. To consider and make and manage Tree Preservation Orders.
5. To provide arboricultural reports, statements and evidence, acting as professional witness on behalf of the Council at committee meetings, cabinet briefings, appeal hearings and public inquiries.
6. To undertake enforcement action relative to tree legislation. Working with the enforcement team to provide professional evidence and statements in pursuance of prosecution and if necessary appear in court.
7. To lead on the implementation of action plan contained within the Council's adopted Huntingdonshire Tree Strategy 2020 - 2030.
8. To contribute to the development of policies that ensure that the contribution made by trees and hedgerows to the quality and landscape of Huntingdonshire is fully recognised and safeguarded within the Local Plan, and any other relevant documents and initiatives.
9. To provide specialist technical advice to departments within the Council in relation to the Council owned tree stock.
10. To work with and support the arboricultural administrator in the processing of protected tree applications.
